### EUROPEAN TEAMING CLUB MEETING

A closed meeting of the European Teaming Club is organised in Cyprus with the support of the Deputy Ministry of Research, Innovation and Digital Policy, as part of its commitment to invest in Research and Innovation (R&I). Gathering representatives from all 24 European Projects funded under the Horizon 2020 "Teaming for Excellence" Programme, the meeting aims at serving as a platform for exchange of knowledge and experiences among the Centers of Excellence. It will also be a great opportunity to present – for the first time – the activities of all the Centers together.
