

1st European Teaming Conference

The Deputy Ministry of Research, Innovation and Digital Policy organized the 1st European Teaming Conference with the participation of Centers of Excellence (CoE) as part of its commitment to invest in Research and Innovation (R&I), as key pillars of economic growth and social prosperity, and support the sustainable development of the Centres of Excellences in particular.

The Conference which took place on Friday 21st of October 2022 at the Mediterranean Beach Hotel in Limassol, Cyprus gathered researchers from all 24 European Projects funded under the Horizon 2020 “Teaming for Excellence” Programme, representatives from the European Commission and the Research Executive Agency, as well as stakeholders from the national R&I ecosystem.

The Teaming Conference served as a platform for exchange of knowledge and experiences among the 150+ participants, while it set the foundations for synergies and efficient collaborations with added value and impact for the European economy and society.
