

PRAGUE NEXT-GEN TECHNOLOGY MEET-UP

Join us for a unique Next-Gen Tech Meet-up in Prague, focusing on photonics, micro-optics and 2D materials for industry

Develop **new products** using cutting-edge technology and services

Take advantage of **public funding** by applying in open calls

Explore the latest **trends**

- 14:00 – 14:10 **Welcome**
(Tomáš Mocek, HiLASE & Rudolf Fryček, AMIRES)
- 14:10 – 14:40 **HiLASE Centre and B4I European Digital Innovation Hub**
(Sanin Zulic, Jan Brajer, HiLASE/Andrej Chrzanowski, B4I)
- 14:40 – 15:25 **Opportunities for Industry**
- In Micro-optics (Phabulous – Harry Heinzlmann, CSEM; MedPhab – Jan Hesse, JR)
 - In photonics (PhotonHub – Nathalie Debaes, VUB)
- 15:25 – 15:55 **Company introductions** (Round table of 2 min pitches)
- 15:55 – 16:25 **Coffee Break**
- 16:25 – 17:05 **The future of 2D materials and their application**
- Next 2Digits and MatEI projects (Ioanna Zergioti – NTUA)
 - 2D-Experimental Pilot Line (Miika Soikkeli, VTT)
- 17:05 – 17:40 **Panel discussion on the future of photonics, microoptics and 2D materials technology ecosystems**
(All speakers, Moderated by Rudolf Fryček, AMIRES)
- 17:40+ **Visit of HiLASE labs followed by networking dinner**

When?

20 SEPT 2023

14:00 – 19:00

Where?

HiLASE CENTER

Za Radnicí 828

252 4I Dolní Břežany, CZ

Contact person

Martina Řeháková

BDM HiLASE
